PEACE NOT IN SIGHT.

Employers Will Not Arbitrate Their Differences with the Granite Cutters and Pavers.

Strikers Have Plenty of Funds to Carry on the Fight.

Rumors of a Definite Proposition for a Compromise.

with the same indifference that they attached to the report that the Association would bring in a lot of German and italian pavers. As the latter threat proved baseless, the latter statement is regarded as being equally unreliable.

Nor does Commissioner Gliroy's order to the contractors to relay the old stones on the lead-un streams.

work is done by unskilled hands it will be society;

works as far as the contractors are concerned.

HE NUMBER ON STRIKE.

The number of men throughout the country involved in the strike is estimated to be about 75,000. This number will be albein and universal to-day by the addition of strike in fave as sixty grants block cutters, with whom they have no concern.

The soudition of the cutters is unworthy of such unworthy and unusual measures. They are well satisfied with their seasons. They are well satisfied with their seasons. They are well satisfied with their seasons of the cutters of the form of labor and their temployers, who employ nobody but union mea.
